

An advertisement for Yara fertilizers. The background is a solid bright yellow. On the left, a row of 14 white fertilizer bags stands on a patch of green grass. The bags are of different sizes and feature various Yara logos and product names like YaraMila and YaraBela. On the right, two larger white fertilizer bags are shown, also on grass. The bag on the left is labeled 'YaraBela Axan N27, S4' and the one on the right is 'YaraMila PELLON Y 1'. Both large bags have a red circular sticker at the top that says 'UUTUUS!' (New!). Above the bags, the text 'Uutta satokautta kohti!' is written in large, bold, dark grey letters. Below this, a paragraph of text in Finnish describes the new fertilizer season. At the bottom left, the Yara logo is displayed in a blue square. At the bottom right, the website 'yara.fi' is mentioned.
