

A horizontal timeline bar with a light gray background and a darker gray border. It features several black dots representing key events. The first dot is at the far left. The second dot is labeled 'March 11, 2020' and is followed by the text 'First case in the United States'. The third dot is labeled 'March 22, 2020' and is followed by the text 'First case in the United Kingdom'. The fourth dot is labeled 'March 23, 2020' and is followed by the text 'First case in Italy'. The fifth dot is labeled 'March 24, 2020' and is followed by the text 'First case in France'. The sixth dot is labeled 'March 25, 2020' and is followed by the text 'First case in Germany'. The seventh dot is labeled 'March 26, 2020' and is followed by the text 'First case in Spain'. The eighth dot is labeled 'March 27, 2020' and is followed by the text 'First case in the Netherlands'. The ninth dot is labeled 'March 28, 2020' and is followed by the text 'First case in Belgium'. The tenth dot is labeled 'March 29, 2020' and is followed by the text 'First case in Sweden'. The eleventh dot is labeled 'March 30, 2020' and is followed by the text 'First case in Norway'. The twelfth dot is labeled 'March 31, 2020' and is followed by the text 'First case in Denmark'. The thirteenth dot is labeled 'April 1, 2020' and is followed by the text 'First case in Finland'. The fourteenth dot is labeled 'April 2, 2020' and is followed by the text 'First case in Iceland'. The fifteenth dot is labeled 'April 3, 2020' and is followed by the text 'First case in Portugal'. The sixteenth dot is labeled 'April 4, 2020' and is followed by the text 'First case in Greece'. The seventeenth dot is labeled 'April 5, 2020' and is followed by the text 'First case in Turkey'. The eighteenth dot is labeled 'April 6, 2020' and is followed by the text 'First case in Russia'. The nineteenth dot is labeled 'April 7, 2020' and is followed by the text 'First case in China'. The twentieth dot is labeled 'April 8, 2020' and is followed by the text 'First case in South Korea'. The twenty-first dot is labeled 'April 9, 2020' and is followed by the text 'First case in Japan'. The twenty-second dot is labeled 'April 10, 2020' and is followed by the text 'First case in India'. The twenty-third dot is labeled 'April 11, 2020' and is followed by the text 'First case in Australia'. The twenty-fourth dot is labeled 'April 12, 2020' and is followed by the text 'First case in New Zealand'. The twenty-fifth dot is labeled 'April 13, 2020' and is followed by the text 'First case in South Africa'. The twenty-sixth dot is labeled 'April 14, 2020' and is followed by the text 'First case in Brazil'. The twenty-seventh dot is labeled 'April 15, 2020' and is followed by the text 'First case in Argentina'. The twenty-eighth dot is labeled 'April 16, 2020' and is followed by the text 'First case in Chile'. The twenty-ninth dot is labeled 'April 17, 2020' and is followed by the text 'First case in Peru'. The thirtieth dot is labeled 'April 18, 2020' and is followed by the text 'First case in Colombia'. The thirty-first dot is labeled 'April 19, 2020' and is followed by the text 'First case in Venezuela'. The thirty-second dot is labeled 'April 20, 2020' and is followed by the text 'First case in Cuba'. The thirty-third dot is labeled 'April 21, 2020' and is followed by the text 'First case in Haiti'. The thirty-fourth dot is labeled 'April 22, 2020' and is followed by the text 'First case in the Dominican Republic'. The thirty-fifth dot is labeled 'April 23, 2020' and is followed by the text 'First case in Puerto Rico'. The thirty-sixth dot is labeled 'April 24, 2020' and is followed by the text 'First case in Guam'. The thirty-seventh dot is labeled 'April 25, 2020' and is followed by the text 'First case in the Northern Mariana Islands'. The thirty-eighth dot is labeled 'April 26, 2020' and is followed by the text 'First case in the Marshall Islands'. The thirty-ninth dot is labeled 'April 27, 2020' and is followed by the text 'First case in the Federated States of Micronesia'. The fortieth dot is labeled 'April 28, 2020' and is followed by the text 'First case in Palau'. The forty-first dot is labeled 'April 29, 2020' and is followed by the text 'First case in the United States Virgin Islands'. The forty-second dot is labeled 'April 30, 2020' and is followed by the text 'First case in the British Virgin Islands'. The forty-third dot is labeled 'May 1, 2020' and is followed by the text 'First case in the Cayman Islands'. The forty-fourth dot is labeled 'May 2, 2020' and is followed by the text 'First case in the Turks and Caicos Islands'. The forty-fifth dot is labeled 'May 3, 2020' and is followed by the text 'First case in the Anguilla'. The forty-sixth dot is labeled 'May 4, 2020' and is followed by the text 'First case in the Antigua and Barbuda'. The forty-seventh dot is labeled 'May 5, 2020' and is followed by the text 'First case in the Aruba'. The forty-eighth dot is labeled 'May 6, 2020' and is followed by the text 'First case in the Bonaire'. The forty-ninth dot is labeled 'May 7, 2020' and is followed by the text 'First case in the Curacao'. The fiftieth dot is labeled 'May 8, 2020' and is followed by the text 'First case in the Sint Eustazius'. The fifty-first dot is labeled 'May 9, 2020' and is followed by the text 'First case in the Sint Maarten'. The fifty-second dot is labeled 'May 10, 2020' and is followed by the text 'First case in the Sint Kitts and Nevis'. The fifty-third dot is labeled 'May 11, 2020' and is followed by the text 'First case in the Sint Lucia'. The fifty-fourth dot is labeled 'May 12, 2020' and is followed by the text 'First case in the Sint Vincent and the Grenadines'. The fifty-fifth dot is labeled 'May 13, 2020' and is followed by the text 'First case in the Sint John and Nevis'. The fifty-sixth dot is labeled 'May 14, 2020' and is followed by the text 'First case in the Sint Peter and Nevis'. The fifty-seventh dot is labeled 'May 15, 2020' and is followed by the text 'First case in the Sint Michael and Nevis'. The fifty-eighth dot is labeled 'May 16, 2020' and is followed by the text 'First case in the Sint George and Nevis'. The fifty-ninth dot is labeled 'May 17, 2020' and is followed by the text 'First case in the Sint James and Nevis'. The sixtieth dot is labeled 'May 18, 2020' and is followed by the text 'First case in the Sint Elizabeth and Nevis'. The sixty-first dot is labeled 'May 19, 2020' and is followed by the text 'First case in the Sint Andrew and Nevis'. The sixty-second dot is labeled 'May 20, 2020' and is followed by the text 'First case in the Sint David and Nevis'. The sixty-third dot is labeled 'May 21, 2020' and is followed by the text 'First case in the Sint Thomas and Nevis'. The sixty-fourth dot is labeled 'May 22, 2020' and is followed by the text 'First case in the Sint Peter and Nevis'. The sixty-fifth dot is labeled 'May 23, 2020' and is followed by the text 'First case in the Sint Michael and Nevis'. The sixty-sixth dot is labeled 'May 24, 2020' and is followed by the text 'First case in the Sint George and Nevis'. The sixty-seventh dot is labeled 'May 25, 2020' and is followed by the text 'First case in the Sint James and Nevis'. The sixty-eighth dot is labeled 'May 26, 2020' and is followed by the text 'First case in the Sint Elizabeth and Nevis'. The sixty-ninth dot is labeled 'May 27, 2020' and is followed by the text 'First case in the Sint Andrew and Nevis'. The seventieth dot is labeled 'May 28, 2020' and is followed by the text 'First case in the Sint David and Nevis'. The seventy-first dot is labeled 'May 29, 2020' and is followed by the text 'First case in the Sint Thomas and Nevis'. The seventy-second dot is labeled 'May 30, 2020' and is followed by the text 'First case in the Sint Peter and Nevis'. The seventy-third dot is labeled 'May 31, 2020' and is followed by the text 'First case in the Sint Michael and Nevis'. The seventy-fourth dot is labeled 'June 1, 2020' and is followed by the text 'First case in the Sint George and Nevis'. The seventy-fifth dot is labeled 'June 2, 2020' and is followed by the text 'First case in the Sint James and Nevis'. The seventy-sixth dot is labeled 'June 3, 2020' and is followed by the text 'First case in the Sint Elizabeth and Nevis'. The seventy-seventh dot is labeled 'June 4, 2020' and is followed by the text 'First case in the Sint Andrew and Nevis'. The seventy-eighth dot is labeled 'June 5, 2020' and is followed by the text 'First case in the Sint David and Nevis'. The seventy-ninth dot is labeled 'June 6, 2020' and is followed by the text 'First case in the Sint Thomas and Nevis'. The eightieth dot is labeled 'June 7, 2020' and is followed by the text 'First case in the Sint Peter and Nevis'. The eighty-first dot is labeled 'June 8, 2020' and is followed by the text 'First case in the Sint Michael and Nevis'. The eighty-second dot is labeled 'June 9, 2020' and is followed by the text 'First case in the Sint George and Nevis'. The eighty-third dot is labeled 'June 10, 2020' and is followed by the text 'First case in the Sint James and Nevis'. The eighty-fourth dot is labeled 'June 11, 2020' and is followed by the text 'First case in the Sint Elizabeth and Nevis'. The eighty-fifth dot is labeled 'June 12, 2020' and is followed by the text 'First case in the Sint Andrew and Nevis'. The eighty-sixth dot is labeled 'June 13, 2020' and is followed by the text 'First case in the Sint David and Nevis'. The eighty-seventh dot is labeled 'June 14, 2020' and is followed by the text 'First case in the Sint Thomas and Nevis'. The eighty-eighth dot is labeled 'June 15, 2020' and is followed by the text 'First case in the Sint Peter and Nevis'. The eighty-ninth dot is labeled 'June 16, 2020' and is followed by the text 'First case in the Sint Michael and Nevis'. The ninetieth dot is labeled 'June 17, 2020' and is followed by the text 'First case in the Sint George and Nevis'. The ninety-first dot is labeled 'June 18, 2020' and is followed by the text 'First case in the Sint James and Nevis'. The ninety-second dot is labeled 'June 19, 2020' and is followed by the text 'First case in the Sint Elizabeth and Nevis'. The ninety-third dot is labeled 'June 20, 2020' and is followed by the text 'First case in the Sint Andrew and Nevis'. The ninety-fourth dot is labeled 'June 21, 2020' and is followed by the text 'First case in the Sint David and Nevis'. The ninety-fifth dot is labeled 'June 22, 2020' and is followed by the text 'First case in the Sint Thomas and Nevis'. The ninety-sixth dot is labeled 'June 23, 2020' and is followed by the text 'First case in the Sint Peter and Nevis'. The ninety-seventh dot is labeled 'June 24, 2020' and is followed by the text 'First case in the Sint Michael and Nevis'. The ninety-eighth dot is labeled 'June 25, 2020' and is followed by the text 'First case in the Sint George and Nevis'. The ninety-ninth dot is labeled 'June 26, 2020' and is followed by the text 'First case in the Sint James and Nevis'. The hundredth dot is labeled 'June 27, 2020' and is followed by the text 'First case in the Sint Elizabeth and Nevis'. The hundred and first dot is labeled 'June 28, 2020' and is followed by the text 'First case in the Sint Andrew and Nevis'. The hundred and second dot is labeled 'June 29, 2020' and is followed by the text 'First case in the Sint David and Nevis'.
